ECLA Code: None

Priority Number: 2000-03-09 CN2000000112751

Abstract:

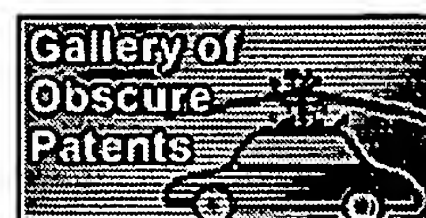

A composite pallet as container for storage or transportation of goods is made up of powdered coal ash, used plastics, used fibres and adhesive through high-temp high-pressure die pressing. Its advantages include high strength and durability, not deforming, high corrosion and worm-eating resistance and use of wastes.
